ElectroTerminal: Trusted Innovation for Lighting OEMs

For over 40 years, ElectroTerminal have been a global leader in lighting connection technology. From its Austrian headquarters, the company delivers precision-engineered, screwless connectors that combine speed, safety, and reliability. ElectroTerminal partners with leading OEMs worldwide, offering solutions that meet strict international standards and support modern luminaire design. When you choose ElectroTerminal products, you choose proven quality and innovation—trusted by the industry and available exclusively to the UK lighting OEM market through Tridonic Distribution UK Ltd.

Speedy: Tool-free push-in terminals cut assembly time.
