- Automatic testing & reporting 
- Seamless integration with **sceneCOM** for smart building control 

Replaceable bezel (Black RAL 9005)
EM r2a 68mm B 28006212

IP65 Protection (in installed state) —Ideal for ingress-sensitive areas (washrooms, kitchens)

Tool-Free Installation—Fast setup and easy maintenance

Optimized Optics—AP (Anti-Panic) and ER (Escape Route) variants for low and high ceilings

Compact Design—Fits ceiling holes 68-72mm, ceiling thickness 1-25mm.

3-Hour Rated Duration—With LiFePO4 battery for long life

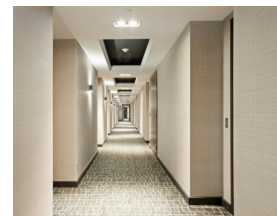

Replaceable Bezel—Black option for aesthetic flexibility

8-Year Design Life—Built for reliability

Typical Applications

Unlock advanced capabilities:

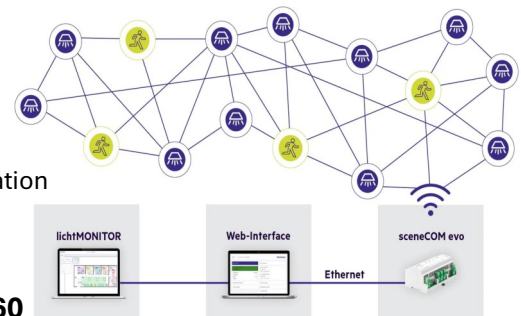

Wireless Emergency Reporting—Automated test logs to cloud or BMS

Smart Building Integration—API interoperability for HVAC and energy optimization

Predictive Maintenance—Emergency black-box data for proactive servicing

Future-proof your emergency lighting strategy with Building Asset360
